Goofy

Tink

(Hitmaka)
(Turn the lights on)

Normally I'd have blocked you from my phone (From my phone)
Normally I'd already be up at my sister's house
I'd barely even notice you were gone, yeah
Wouldn't even have the energy to fuckin' cuss you out

I guess it's different 'cause that dick got me goofy
Halfway past stupid
And this fool got me foolish
What the fuck am I doin'?
I guess that dick got me goofy
Halfway past stupid
I'm so fuckin' ruined and there ain't nothin' I'm doin' about it

I outghta be ashamed
Words, they just can't explain
My mama she ain't raised me like that, me like that
I outghta be ashamed
Words, they just can't explain
My mama she ain't raised me like that, me like that

I must be dumb as a bitch
Boy, I don't ever do nothin' like this
Just from the way that he punish the pussy
I'm lovin' it, I don't be runnin' from dick
You know we got paper, them numbers is big
And I'm a real woman, I come with my shit
Usually I'm independent, but damn, he be in it
In love with his tongue on my clit

(I guess that) dick got me goofy
Halfway past stupid
And this fool got me foolish
What the fuck am I doin'?
I guess that dick got me goofy
Halfway past stupid
I'm so fuckin' ruined and there ain't nothin' I'm doin' about it

Dick got me goofy
Stop
I tell him, "We done" then back to square one
We be linkin' up
He got me tweakin'
Pullin' up at the Four Seasons
Actin' like I'm really leavin'
Knowin' he sluttin' me out every evening
Girl what was you thinkin' having him 'round you?
I hit him when I need the dick back, nobody eat the pussy like that
The way he gets on it, put me in my feelings
Tweakin' like '42
I'm tryna get the fuck away from you, but

This dick got me goofy
Halfway past stupid
And this fool got me foolish

What the fuck am I doin'?
I guess that dick got me goofy
Halfway past stupid
I'm so fuckin' ruined and there ain't nothin' I'm doin' about it
Dick got me goofy
Halfway past stupid
And this fool got me foolish
What the fuck am I doin'?
I guess that dick got me goofy
Halfway past stupid
I'm so fuckin' ruined and there ain't nothin' I'm doin' about it
