

Hate On Me

Tink

All I wanna know is why y'all fake with me (they fake)
Show love in the club
Turn around go back and hate on me (fuck em)
I'm just getting money while I'm still alive
You bitches mad at me and I don't know why

All I wanna know is why y'all fake with me (they fake)
Show love in the club
Turn around go back and hate on me (fuck em)
I'm just getting money while I'm still alive
You bitches mad at me and I don't know why

Heard about the rumors
I'ma trend the topic
Said my tape wouldn't do numbers
But be first to cop it
You be that second option
I'm the one they routing for
Told them I would change the game
You bitches ain't been keeping score
Niggas ain't been loyal though
Turned on me with no remorse
Sneak dissing, hoping I choke
Secretly hoping I won't
Make it, I take it
You niggas intimidated
They say my bars overrated
Who gives a fuck, I'm just saying
Bitches want what I'm getting
Counting blessings while sending
Smoking dope with ya nigga
He on my back like some lenan
In the trap, tryna get it
I respect those who grind
They gon' hate me for winning
But show me love and do time
True

All I wanna know is why y'all fake with me (they fake)
Show love in the club
Turn around go back and hate on me (fuck em)
I'm just getting money while I'm still alive

Tryna knock my deal
