

I Ain't Got Time Today

Tink

Ooh, ooh (Brightboy, okay, okay)
Ooh, ooh
Ooh, ooh (Uh, uh)
Ooh, ooh (Uh, uh)

I don't wanna fight in the middle of the day
If there's another girl, then you better come clean
Actin' real shady
Tell me what we on 'fore a bitch go crazy
I hate when niggas be lyin'
Especially when shit be so small
If you ain't gon' ride, then don't waste my time
I told you I'm not to be fucked with
I don't understand 'cause I thought we had a plan
But you sending mixed signals
You had another bitch in the whip
Now I'm thinking 'bout bustin' out the windows
She ain't even on my level (Level)
I'm the one that made you special (Special)
Now I gotta make you feel it, lose my feelings
You ain't on shit and that's period

Bae, bae, bae
I ain't gonna make you stay, stay, stay
All you do is play, play, play
And I ain't got time today (No)
I ain't got time today (No)

Pussy too good to be givin' it away
I don't want a man 'cause I know they all fake
Givin' excuses
It's time to move around 'cause you act so stupid
Don't try to tell me I'm wrong (Wrong)
She screenshotted all the DMs (DMs)
You fuckin' with bums, if that's what you want
Then leave me up out of the bullshit
Every other night, you come and apologize
For the things you do to me
You're playin' with my head, and this shit so dead
I'ma need a eulogy for it
'Cause I don't really see no future
It's all kind of things you had and you was in valet
Can't even believe you treaded

Bae, bae, bae
I ain't gonna make you stay, stay, stay
'Cause all you do is play, play, play
And I ain't got time today, no
I ain't got time today, no
(You ain't on shit and that's period)
Bae, bae, bae
I ain't gonna make you stay, stay, stay
'Cause all you do is play, play, play
And I ain't got time today, no
I ain't got time today, no

(Play) I don't wanna argue

It's the first of the month and my rent's due, yeah
(Bae) It's a lot on my shoulders
Just started a job and I gotta be sober
(Play) I don't wanna burn out, no (With you)
(Bae) I don't wanna burn out, no
(Oh-oh)
