

Rush

Tink

Sometimes I wanna get my heart away, so often
Love becomes (Oh, ooh woah, yeah), complicated (Complicated)
This gets me (Oh, ooh woah)
And if you rush into it too fast (Oh, oh yeah)
You'll miss out on everything

Take it slow, let's not rush into nothin'
I will never force you into somethin'
Friends with you is all I ever wanna be
I'm just here to give you a new energy
Ride with you no matter where we're goin'
Hold me down while we in the moment
I wanna share how much I like you, boy
Boy you know I'd give you the shirt right off my back
On the Bible we don't need a title
It takes a lot to make me feel the way I do
Anything you want, I'll go and get for you, boy
As long as we see eye to eye

As long as you come through for me, then I'll come through for you
You know you're my lil' boo thing

Oh, boy (Boy)
Let's take our time
Oh, boy (Boy)
Love's hard to find (Hard to find, yeah)
Oh, boy
Let's take it slow
Oh, boy
Let's not, let's not rush

All I'm askin' for is time
Laugh with me and make me smile
Let's not focus on love
'Cause love will stress us out
I'll be there for you and I
Hold me when it gets cold
I know love can be confusin'
So let's take it slow
I ain't tryna put no pressure on (On)
Let's be in the moment while we're young (Young)
Ain't no sense in rushin' into love (Love)
We just gotta let it come to us (Let it come to us)
Ooh, ooh
Don't overthink it

Long as you come through for me, I'll come through for you
Yeah, you're my lil' boo thing

Boy
Let's take our time (Let's take our time)
Oh, boy
Love's hard to find (You know love is hard to find)
Oh, boy
Let's take it slow (We just gotta take it slow)
Oh, boy (Yeah, ayy)
Let's not, let's not rush

Oh, boy (No)
Let's take our time (Baby, take our time)
Oh, boy
Love's hard to find (I don't wanna lose your love)
Oh, boy (Ayy, ayy)
Let's take it slow (Ooh, take it slow)
Oh, boy
Let's not (Let's not), let's not rush (Let's not rush)

Loves always come with a price
(Don't rush, don't rush)
'Cause when you fall in love
So much that comes with it
