

## The Confession

Tink

Steady giving me them lies, what you done  
Why you have to play with my emotions?  
Told me he was with the guys when I know  
He hooked up with Keisha from the low end  
Why do all the faithful girls get cheated on, get treated wrong  
That's that type of shit that'll drive you crazy  
On to the crib, grab my 9, walk to the door  
Think I'm a cut me a throat tonight  
Fuck it all, forget what's right  
Talk about praying, what happened, [?] than mine
