

# Throwback

Tink

Lay back and take it off  
I wanna love you  
Like a C4 we set it off  
It's an explosion  
I wanna take your body to the sun  
Oh no  
You'll be seeing stars when your love comes down  
Ohh

Good lovin' body rockin' knockin' boots  
And baby you won't get enough when I'm inside of you  
You got my legs shakin' bed breakin' that's the true  
Ohh  
We gone play a little  
112 baby  
A little my way baby nice and slow  
Little tenderoni  
A little bit of silk of make you lose control  
Got your body swinging like Davonte  
Bringin' out the freak in you with the lights down low  
We gone make a baby  
If I keep throwin' it back on you like its '94

You got that good love can't let it go to waste  
Take off this lace  
Panties in the way  
What you been askin' for is on the way  
When I get there know the bed is 'bout to break  
Ohh  
I bet the neighbors  
Yeah they know my name  
I'm here for your pleasure  
And look on your face  
In the backseat of the jeep  
Don't matter to me  
Cause when you get in that deep  
It's gone be

Good lovin' body rockin' knockin' boots  
And baby you won't get enough when I'm inside of you  
You got my legs shakin' bed breakin' that's the true  
Ohh  
We gone play a little  
112 baby (Ohh)  
A little my way baby nice and slow  
Little tenderoni (Ohh)  
A little bit of silk of make you lose control  
Got your body swinging like Davonte  
Bringin' out the freak in you with the lights down low  
We gone make a baby  
If I keep throwin' it back on you like its '94

Throwin' it back  
Throwin' it back  
Throwin' it back  
Yeah  
Throwin' it back

Throwin' it back  
Throwin' it back  
Yeah yeah, ohh  
Throwin' it back  
Throwin' it back  
Throwin' it back  
On ya baby  
You like it when I  
Throw it back  
Throw it back  
Throw it back  
Ohhh
