Trust Issues

Tink

Tell me
What could you do for a bitch that don't need nothin' from you?
Show me
Show me the difference, I'm sick of the reruns, give me a reason
Help me

I'm turning savage from fuck niggas
We may have fucked, not in love with ya
Bad bitch with bread, I got trust issues
Trust issues

Bad bitch with status, I just got a lot of damage
What could you do if you money didn't matter?
Started so perfect, why it turn into a disaster?
This shit get tragic I ain't capping' in my passion
I don't need that much, just trust and some attention
Are you that nigga that's gon' fit in his description?
Is you down, is you down, or its get off
'Cause its some other niggas waitin' on my call

Tell me
What could you do for a bitch that don't need nothin' from you?
Show me
Show me the difference, I'm sick of the reruns, give me a reason
Help me

I'm turning savage from fuck niggas
We may have fucked, not in love with ya
Bad bitch with bread, I got trust issues
Trust issues

All these bad bitches in your phone
Why you want to make me sick? (Sick)
Always talk like you want to be home, but you always in that mix (Mix)
'Member I would call your phone, you was outside givin' dick

You was tryna weigh your options, like I ain't on top of the list
This pussy be having me cocky, the way that rock it and get on your body
Tell me, do she even lick it or two hand twist it? You know it be sloppy
I ain't like none of these bitches, they be in the lobby
If you want a bitch that will listen, you gotta be willin' and tell me you g
ot me

Tell me
