

Shout out G-Eazy, baby

I fucked your bitch, she on the rosé
Now she out here cheatin' again
She see the 'rari, the roli, she know me
All of my tiny meat tellin' the friends (ayy)
Hoodie Givenchy
Car with no roof but the bitch gimme top
Ice on my wrist, like I'm illegal
I hit it so good she don't want me to stop (ooh)
Ya bitch in love with the gas (why?)
'Cause she loves smoking my pipe
I eat out her box, like some leftovers
Please do not turn on the lights
Y'all cuddled up on the couch
But she so deep in my DMs
Talkin' bout, "Please, come pick me up
Just for tomorrow, I get off at ten"

I fucked yo bitch
Two shots of Henney and she let me hit (ayy)
Making a mess of yo bed
She texting yo phone while she givin' me head (yah)
She's like a lake, I throw the dick
She by the throw with the lace
Yellow that match with the drapes
Just like the towel she use when I nut on her face
Back in the sack, she give me neck
I'm givin' her O's like a check
Hold up
You hit her phone but I'm serving the dick
She ain't calling you back
Wait, wait, wait
Fucking her up on the wall
Which one?
Paper with the flowers, just like the hall
Uh...
I'm up in her vault, her legs be shaking bro, she 'bout to fall
Wait, wait, wait
