Because I'm fucking rich

And you're fucking poor

Did you hear me? I'll say it again

Do you know how rich my ass is?

I have so many assets

I spend half my time setting up shell companies

Shielding me from taxes

I have so many Porschas

Do you even know what a Porsche is?

Or, multiple Porschas?

My wife's tennis coach is having sex with her

Yup, I'm fucking rich

"Just kidding, we're perfect"

How do I say this? Um...

My portfolio is senior

Yours is JV, sophomore

I have so much money, it has to go offshore
You see there's not enough room in the states
For all my estates
I fly your bitch around on private planes
Eating off of Chinese plates

They're made from ivory
She idolizes me
I have so much god damn cash
I'll buy her a new ass
You see, I own a plastic mining facility
You feelin' me?
Just a reminder, I'm fucking rich, rich, rich
You're fucking poor, poor
You shop at my businesses poor

"Just kidding, we're perfect"
Goodbye
"Just kidding, we're perfect"
