

Tiny Moving Parts

I hope that every penny that they've spent on me they know was money well spent. I, uh, it was never about the money or fame or the records. I hear people talk about "your accomplishments" and things that...It was never my accomplishments, it was our accomplishments. The teammates that I've played with and I can name so many. It was never about me, it was about everybody else. It just so happens that the position I played got the most attention. But, um, Packers have been, uh, it's been a great relationship. And I hope that, uh, this organization and fans appreciate me as much as I appreciate them.
