

Comic Strip Man

Tiny Tim

Ooh, comic strip man, biff, bam, slam
Ooh, comic strip man, biff, bam, slam

I wish I could be in a comic strip
I could be someone different every day
Spider-Man, Batman
What a far-out trip, don't you say?

Biff, bam, slam, I'm a comic strip man
Biff, bam, slam, exclamation point
Biff, bam, slam, I'm a comic strip man
Hey look! I'm a hero today

Ooh, comic strip man, biff, bam, slam

I go on adventures with thrills and fun
And slapstick folds out on the moon
A cute round nose, great big feet
I talk through a big balloon

Biff, bam, slam, I'm a comic strip man
Biff, bam, slam, exclamation point
Biff, bam, slam, I'm a comic strip man
Waa! I'm a hero today

Hey town there, look up (look out!)
Gotta save the girl from that man (save her from that criminal!)
Take look, I'm flying
I'm a Superman, a Superman

I wish I could be in a comic strip
I could be someone different every day
Spider-Man, Batman
What a far-out trip, don't you say?

Biff, bam, slam, I'm a comic strip man
Biff, bam, slam, exclamation point
Biff, bam, slam, I'm a comic strip man
Hey look! I'm a hero today

Hey town there, look up (look out!)
Gotta save the girl from that man (gotta save her from the man)
Take look, I'm flying
I'm a Superman, a Superman

I wish I could be in a comic strip
I could be someone different every day
A Spider-Man, a Batman
What a far-out trip, don't you say?

Biff, bam, slam, exclamation point

Hey look! I'm a hero today
