

Depression Medley

Tiny Tim

On the unemployment line
On the unemployment line
Everything is gonna be fine
On the unemployment line

Every week I get my pay
And I shout hip-hip-hooray!
Everything seems divine
On the unemployment line

On the unemployment line
On the unemployment line
On the unemployment line
Everything is gonna be fine

Just around the corner
There's a rainbow in the sky
So let's have another cup of coffee
And let's have another piece of pie

Trouble's like a bubble
And the clouds will soon roll by
So let's have another cup of coffee
And let's have another piece of pie

Let a smile be your umbrella
For it's just an April shower
Even John D. Rockefeller
Is looking for the silver lining

Mister Herbert Hoover
Says that now's the time to buy
So let's have another cup of coffee
And let's have another piece of pie

Just around the corner
There's a rainbow in the sky
So let's have another cup of coffee
And let's have another piece of pie

Trouble's like a bubble
And the clouds will soon roll by
So let's have another cup of coffee
And let's have another piece of pie

Let a smile be your umbrella
For it's just an April shower
Even John D. Rockefeller
Is looking for the silver lining

Mister President Clinton
Says now's the time to buy
So let's have another cup of coffee
Let's have another cup of coffee
Let's have another cup of coffee
Let's have another cup of coffee
Have another cup of coffee

And let's have another piece of pie
Let's have another cup of coffee
And let's have another piece of pie
Let's have another cup of coffee
And let's have another piece of pie
