

## Forever Miss Dixie

Tiny Tim

And the song I wrote to her, in 1982, it's on my Australian album with Martin Sharp, Keeping My Troubles To Myself, but here's a snip of this:

Forever Miss Dixie  
I'll always love you  
Forever Miss Dixie  
My love will be true

The skies may be cloudy  
The skies may be blue  
But Miss Dixie  
I'll always love you

The night that we met  
I can never forget  
I loved you, dear then  
And I love you, dear yet

To make your life happy  
Is all I live for  
Miss Dixie, you're the girl  
I adore

Forever Miss Dixie  
I'll always love you  
Forever Miss Dixie  
My love will be true

The skies may be cloudy  
The skies may be blue  
But Miss Dixie  
I'll always love you

Never to forget that wonderful angel. That wonderful, if only I could have been glued to her forever
