

Heaven Only Knows

Tiny Tim

Heaven only knows
How much I love you
I miss you so
Heaven only knows

Heaven only knows
If you are sorry
To say goodbye
For a little while

My heart is aching
It's nearly breaking
Yo-de-la-tee
Oh, yo-de-la-tee

In my every prayer
You'll be beside me
In dreams at night
My daylight's light

Heaven only knows
How much I love you
I miss you so
Heaven only knows

And that was the end of the 50 period
