

I Love Rock and Roll

Tiny Tim

I saw her dancing there by the record machine
I knew she must have been about seventeen
The beat was going strong
Playing my favorite song
And I could tell it wouldn't be long
'Til she was with me, yeah, me
And I could tell it wouldn't be long
'Til she was with me, yeah, me, singin'

I love rock n' roll
Put another dime in the jukebox, baby
I love rock n' roll
So come and take your time and dance with me
I love rock n' roll
Put another dime in the jukebox, baby
I love rock n' roll
Come and take your time and dance with me

Oh, oh
Hear that beat
Hear that beat
Uh, uh, uh, uh

I saw her dancing there by the record machine
I knew she must have been about seventeen
The beat was going strong
Playing my favorite song
And I could tell it wouldn't be long
'Til she was with me, yeah, me
And I could tell it wouldn't be long
'Til she was with me, yeah, me, singin' singin' singin'

I love rock n' roll
Put another dime in the jukebox, baby
I love rock n' roll
So come and take your time and dance with me
I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
Come and take your time and dance with me

She smiled, so I got up and asked for her name
"That don't matter", she said, "'cause it's all the same"
I said, "Can I take you home where we can be alone?"
And next we were movin' on
She was with me
Next we were movin' on
Se was with me, singin' singin' singin'

I love rock n' roll
Put another dime in the jukebox, baby
I love rock n' roll
So come and take your time and dance with me
I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
Come and take your time and dance with me

I said, "Can I take you home where we can be alone?"
And next we were movin' on
And she was with me
And we'll be movin' on
And singin' that same old song
Yeah, with me, yeah, with you, yeah, with me, yeah, with you

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come and take your time and dance with me
I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come and take your time and dance with me

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come and take your time and dance with me
I love rock n' roll
So put another dime in the jukebox, baby
I can't get no satisfaction

I wanna hold your hand
I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come and take your time and dance with me
