

I Woke Up With A Cold

Tiny Tim

Achoo, achoo!

I woke up with a cold
It went right to my head
I think I'll stay in bed and get a little rest
Some orange juice, I'll drink
It's very good, they say
And maybe in a week my cold will go away

If you should hear me sneeze
Ka-choo, ka-choo, ka-choo!
I'll say "excuse me, please"
I'll say "excuse me, please"
And give my best to you!

Ka-choo!
