

## Jessica Hahn II

**Tiny Tim**

Tiny, could you sing the Jessica Hahn song once more? You stumbled towards the end

Alright, remember, there are more words I can't remember so I have to repeat the same old lines

Jessica... Jessica... mm

Jessica Hahn, Jessica Hahn  
I bless the day you were born  
I'd love to be caught in a storm  
With Jessica, Jessica Hahn

Jessica Hahn, Jessica Hahn  
I bless that day you were born  
I'd love to be caught in a storm  
With Jessica, Jessica Hahn

Jim Baker came into your room  
Who knows where or when  
When he left your lovin' arms  
He sure was born again

Ah, Jessica Hahn, Jessica Hahn  
I bless the day you were born  
I'd love to get caught in a storm  
With Jessica, Jessica  
Jessica, Jessica  
Jessica, Jessica Hahn

Thank you
