

## Just Friends

Tiny Tim

Just friends  
Lovers no more  
Just friends  
But not like before

To think of what we've been  
And not to kiss again  
Seems like pretending  
It isn't the ending

Two friends  
Drifting apart  
Two friends  
And one broken heart

We loved we laughed we cried  
Suddenly love died  
The story ends  
And we're  
Just friends

We two were sweethearts  
And we said goodbye  
One with a handshake  
And one with a sigh

We two were sweethearts  
By sacred vow  
What are we now?  
What are we now?

To think of what we've been  
And not to kiss again  
Seems we're only pretending  
It isn't the ending

Two friends  
Drifting apart  
Two friends  
And one broken heart

We loved we laughed we cried  
Then suddenly love died  
The story ends  
And we're  
Just friends
