

Marvelous Mervo Theme

Tiny Tim

(Ah ha ha ha)

Marvelous Mervo at your service
Marvelous Mervo, that's my name
And I'll do my best to entertain you
With magic and laughter, 'cause that's my game

I can light up the sky each day at sunrise
And darken the clouds when it's time to rain
That's some of the magic I have mastered
I'll show you the rest when you call my name

I wanna make the whole world laugh
Even if the laugh's on me, oh ho
I'll paint a smile upon my face there for everyone to see

So put a smile on your face like your old friend Mervo
Whenever you're feeling alone and blue
Like Marvelous Mervo you'll soon discover
A smile can do magical things for you

I wanna make the whole world laugh
Even if the laugh's on me, oh ho
I'll paint a smile upon my face there for everyone to see

So put a smile on your face like your old friend Mervo
Whenever you're feeling alone and blue
Like Marvelous Mervo you'll soon discover
A smile can do magical things for you

Oh yeah, oh Marvelous Mervo, hm
