

## Meet The Sun Halfway

Tiny Tim

Stop hiding behind the pillow  
Whenever the dawn looks gray  
Get up, get out and meet me in the sun halfway  
There may be a fortune waiting (lots of gold)  
Or even an egg soufflé (haha)  
Get up, get out and meet me in the sun halfway

Get into the tub  
And you begin to rub and scrub  
Give out with your version of "The Road to Mandalay"  
You may even show a little Abner  
Awaiting with Daisy Mae  
Get up, get out and meet the sun halfway (hello the sun)

Get up, get out and meet the sun halfway  
Get into the tub  
And you begin to rub and scrub  
Give out with your version of "The Road to Mandalay"  
Don't ever expect the bright side  
Served up to you on a tray  
Get up, get out and meet the sun halfway  
(Hello, sun!)
