

# Oliphant the Elephant

Tiny Tim

Hello everyone, I'm Oliphant the elephant  
And although I'm very high I'm also very strong and heavy  
And I carry a lot of trunks and tusks on my back  
And I also eat a lot of peanuts if you throw me some  
Wherever you see me  
And of course I've got a long trunk  
And out of it comes water  
And they have a little story about me

I'm Oliphant the elephant  
And I'm nearly twelve feet high  
Of all the other animals  
The heaviest am I

I carry people on my back (come on, come on)  
When they are hunting, oh  
They're pretty safe there from attack  
From animals below

But now I'm safe and happy  
In a circus or a zoo  
I'm washed and fed and put to bed  
I'm treated just like you

I'm Oliphant the elephant  
Come visit me on Sunday
