

## Our Little Secret

**Tiny Tim**

And then came '57, another slow year, I met... at the time, until I finally met Miss Lorna Pyles in 1958. Was she beautiful! And I- oh, she had dark hair, she was only 15 years old. Pure thoughts! And a real song I wrote for her then was... oh, I remember, "Our Little Secret"

Our little secret  
Will be between us two  
For that little secret is  
That I love you

I've only met you  
A little while ago  
Yet my heart within me says  
I love you so

That's all I remember of that one! Uh, I wrote that one for her. For Miss Lorna, she was so beautiful, 15 years old. She moved just a month after I met her! Or two months, I can't remember
