

## Pretty Baby

Tiny Tim

And at that time during the rock years all this, was uh, for girls, this was the only song at that time, when I went around the long hair... mm... Four X, I'll put a fifth X there. Definitely... uh, this song was really, I signed a contract with this song:

If you come pretty baby and say that you're gonna be mine  
You can bet pretty baby that day is gonna be fine  
I'm gonna give all my love to you  
I won't let you go 'til you say you do  
I'd die if you told me that we were through  
Sugar darling, I love you  
Sugar darling, I love you

If you come pretty baby and say that you wanna be kissed  
Well, you can bet pretty baby that I will not resist  
You know I love you so  
I won't let you go nanana tata  
I won't let you go nana dee dee dee  
Sugar darling, I love you  
Sugar darling, I love you

Ever since the day you and I were friends  
We had made a vow not to let it end  
Yes, pretty baby, I'm yours eternally  
Oh, no other baby in the whole wide world for me  
I'm gonna love you 'til the end of time  
'Til the stars in the heaven has lost its shine  
Oh, pretty baby, I hope you're mine  
Sugar darling, I love you  
Sugar darling, I love you

At that time I had a friend I knew, Robert Golvie who did a great duet with me on that, wherever he is right now, God bless him
