

# Rainbow On The River

**Tiny Tim**

Clouds over me form a white tapestry  
Sky into water blending  
Winds dying down, it's so peaceful around  
Now that the storm is ending  
See what nature's handy-work has done  
After every shower comes the sun

There's a rainbow on the river  
The skies are clearing  
You'll soon be hearing a heavenly song  
All the day long

When there's a rainbow on the river  
The birds are mating  
They're busy dating each other alone  
Happy in love

Let's you and I go sailing  
Along the rippling stream  
Holding hands together  
Together we'll dream

With a rainbow on the river  
You get the feeling  
Romance is stealing right out of the blue  
Into your heart

La-da-da-dee...

Oh honey, a rainbow on the river  
Hear, hear, the birds are singing  
They're happy, they meet each other alone  
Happy in love

Let's you and I go sailing  
Along the rippling stream  
Holding hands together  
Together we'll dream

With a rainbow on the river  
You get the feeling  
Romance is stealing right out of the blue  
Into your heart
