

Religious Medley

Tiny Tim

Yield not to temptation
For yielding is sin
Each victory will help you
Some other to win
Fight manfully onward
Dark passions subdue
Look ever to Jesus
He will carry you through

Ask the Savior to help you
Comfort, strengthen and keep you
He is willing to aid you
He will carry you through

He who overcometh
God giveth a crown
Through faith we shall conquer
Though often cast down
He who is our Savior
Our strength will renew
Why, look ever to Jesus
He'll carry you through

Ask the Savior to help you
Comfort, strengthen and keep you
He always will aid you
He will carry you through

Amazing grace, how sweet the sound
That saved a wretch like me
I was lost, and now I'm found
Was blind, but now I see

Amazing grace, how sweet the sound
That saved a wretch like me
I was lost, and now I'm found
Was blind, but now I see

Throw out the life line across the dark wave
Why do you tarry, why do you delay?
Throw out the life line and throw it today
Someone is drifting away

Throw out the life line! Throw out the life line!
Someone is drifting away
Throw out the life line! Throw out the life line!
Someone is sinking today

Throw out the life line across the dark wave
Why do you tarry, why do you delay?
Throw out the life line and throw it today
Why, someone is drifting away
Yes sir, yes sir

Throw out the life line across the dark wave
Why do you tarry, why do you delay?
Throw out the life line and throw it today

Why, someone is drifting away

Throw out the life line and throw it today
Why, someone is drifting away

So yield not to temptation
For yielding is sin
Why, each victory will help you
Some other to win
Fight manfully onward
Dark passions subdue
Why, look ever to Jesus
He will carry you through

Ask the Savior to help you
Comfort, strengthen and keep you
For he's willing to aid you
He will carry you through
He will carry you through
