

Remember Your Name and Address

Tiny Tim

Yes, did you say you lost your way?
Yes of course I did, Mr. Officer, what can I do?
Why of course, always ask me whenever you lose your way
Never go to strangers
Look for the kind policeman on the street

Remember your name and address
And telephone number too
And if some day you lose your way
You'll know just what to do

Walk up to the kind policeman
The very first one you meet
And simply say, "I've lost my way
I can not find my street

But I know my name and address
And telephone number too"
Then he'll be kind
And help you find
The dear ones who wait for you

Oh, I found my name and address
Yes, that's because

You remembered the kind policeman
The very first one you'll meet
And then some day he'll show the way
And help you find your street

Yes, I know my name and address
And telephone number too
And he'll be kind
And help you find
The dear ones who wait for you
Oh!

And now look at this little girl and boy
They are now saying

We remembered our name and address
And telephone number too
When we were lost
We found the way
And here's the same to you to do

Remember
Walk up to the kind policeman (howdy)
The very first one you meet
And simply say, "I've lost my way
I can not find my street

But I know my name and address
And telephone number too"
And he was kind
And helped us find
The dear ones who waited for us

And they'll wait for you too!
