

# The Hickey (On Your Neck)

Tiny Tim

Last night at the party  
I caught you kissing some guy  
You said he was just removing a little something  
From your eye, oh you liar  
Tonight you came home your clothes are  
Torn and my goodness, your hair's a wreck  
Now can you please explain  
That little purple mark around your neck?

Some tiptoeing turkey  
Is kissing on your tulip  
He's breaking up your home and  
Making you a nervous wreck  
When you find that sucker  
Just poke him in the pucker  
And he'll never ever put another  
Hickey on your neck

Oh Eloise, last night at the drive-in  
Johnny gave me a big old hickey  
And I don't know what to do  
Well, just wear a turtleneck  
But it's not on my neck  
Is it on your leg?  
No, it's not on my leg  
Is it on your-?  
No  
Well, is it on your-?  
No!  
You mean it's on your-?  
Yeah

You ran to the mirror  
And you took a look in it (oh my!)  
You turned to me and said  
It was an overgrown zit (what a big one!)  
I said "woman, stop your lying  
The truth now, if you please"  
You said you were infected  
With some tropical disease

Some tiptoeing turkey  
Is kissing on your tulip  
He's breaking up your home and  
Making you a nervous wreck  
When you find that sucker  
Just poke him in the pucker  
And he'll never ever put another  
Hickey on your neck
