

## When I'm Feeling Sad

**Tiny Tim**

I fell in love with Geraldine Comoski. She was so beautiful. Her face was round. She had short black hair. But blue eyes. And. .. I wrote the first song... after the Elizabeth Taylor song... I can't remember the whole thing, whatever I remember... goes like this:

When I'm feeling sad and blue  
I tell all my troubles to  
Geraldine

That's all I remember of that one!
