

Whispering Voices

Tiny Tim

And I wrote this one here:

Whispering voices
Over the sea
Whispering voices
Beckon to me

Whispering voices
Over the land
Whispering voices
Here on the sand

I hear them calling
Calling to me
Closer, come closer
And you will see

Hearts you have broken
Now number three
Whispering voices
In your memory

I hear them calling
Calling to me
Closer, come closer
And you will see

Hearts you have broken
Now number three
Whispering voices
In your memory

And uh, I also wrote that, and so the end of the, uh '50's and one more like that one, it was rolling hot, but yeah, the 1950's
