

Can't Go Broke

Tion Wayne

So swarve like we're bankers
Don't be fooled man are gangsters
Left them niggas on the floor like their plankers
Same day we be in the rave bussin champers
Racks on champagne that's replaceable
Big batty ting I'm available
Tell a clapped girl I'm untraceable
Brain off my sideting sensational
Me and TC moving like seprano
Gave him seven on his back ronaldo
Got a chick looking like she's from chicago
Swag italiano ferragamo
With a sweet lady call me tyhree
Brown skinned ting looking chinese
I've been grinding all day in my nikeys
So I gotta finish off my day with a lighty

I'll never be that guy that runs outta money (no no no)
Money money money money
I refuse to be broke and bummy yeah
And that's not even funny
I'm so hungry for the money (money)
Money money money money
I da chase am bare money
Stacks p's oh my money (oh honey)

So broke tell a nigga I had enough
Gyal in the rave now they wanna show me love
They wanna come and live life adios (bye bye)
Unless they want a quick night travelodge (adios adios)
Three figure a day bad one
Still in the club bag one
Tryna stay away from the handcuff
They pop bottles in the rave but there bankrupt
T Wayne (real cash earner)
Hustle bummy (real bridge burner)
Cause I wanna live life like its paradise
So I gotta go ham call me Allardyce
All them robberies had a purpose
See my paigons and there nervous (shook)
Me and B is in a german (skrr)
That's a team tighter than virgins

I'll never be that guy that runs outta money (no no no)
Money money money money
I refuse to be broke and bummy yeah
And that's not even funny
I'm so hungry for the money (money)
Money money money money
I da chase am bare money
Stacks p's oh money (oh honey)

I'll never be that guy that runs outta money (no no no)
Money money money money
I refuse to be broke and bummy yeah
And that's not even funny
I'm so hungry for the money (money)

Money money money money
I da chase am bare money
Stacks p's oh money (oh honey)

Money money money money (money)
Money money money money (money)
Money money money money (money)
Money money money money (money)
