One-eighty when I stig this whip and she didn't snitch  
Yeah, really baby, fix up quick  
I think I'm in love with—

Yeah, yeah

It's got me thinkin' why I hate the cops  
Good girl show me love, will she make me trust?  
She ain't a borin' fuck, but she ain't a slut

She said, "Nine-nine-nine" (Huh)  
Ex don't fuck her like man does  
Ain't the first time she put a brother in handcuffs  
Turns up to the parties to get locked  
Told me, "Be a good boy, all the charges will get dropped"  
She a freak, likes the sounds of the car when it sets off  
Double C, Louis V, got me card on me, let's shop (Yeah)

Told me she don't fuck with rappers

I said, "I don't fuck with rappers, baby gyalie, I'm a pop star" (Ah-ha)
