Loyal

Tion Wayne

Yeah

Can't be loyal to no ho, only my bros
Been a long time since I've been broke
Why you only holler when I got a show?
I can tell who's a friend or a foe
Now it's area bar on a sunday
Baby girl, I don't do dates
For you, girl, I might switch ways
(For you, girl, I might switch-)

4PLAY, 4PLAY

She all for the change
I seen couple mandem move strange
And we did it from the pavement, thought the feds man used Waze
Too many snakes mi a ball past
We make it rain, we change the forecast
They want us dead, pree the vultures
Gyally love the style, they love the culture

Baby girl, your body shaped good, no need no BBL
Be fuckin', got you bustin' like a BB gun
When we done, I tell you, "I don't need no other one"
It's the like I tell, YSL, Cartizze, all for the clientele
I put it all on the line for my family
You ain't ridin' for me, I'm with the gang now

Can't be loyal to no ho, only my bros
Been a long time since I've been broke
Why you only holler when I got a show?
I can tell who's a friend or a foe
Now it's area bar on a sunday
Baby girl, I don't do dates
For you, girl, I might switch ways
(For you, girl, I might switch-)

We was on the landing, countin' for a toaster
And now Simon Cowell use my broker
When I was out here, rollin' with my poker
I made 'em stay inside, way before Corona
Deep stroka, Wizzy make it leak again
Now I'm the owner, she don't wanna leave my ends
How you loyal to a ho, but then you leave your friend?
We was runnin' London before Sadiq and them
Her pussy meat for them, man are real raw African, peek for them
Her bum real, real challengin', watch cost caravan
T Wayne, runner from the plug
Man, I went uni and I sold drugs
Buy what I want 'cause, man'a man'a badman
Touch my one's, and you can hold a one-bang
For my bros, I catch case
For my bros, I catch case (yo)

Can't be loyal to no ho, only my bros
Been a long time since I've been broke
Why you only holler when I got a show?

I can tell who's a friend or a foe
Now it's area bar on a sunday
Baby girl, I don't do dates
For you, girl, I might switch ways
(For you, girl, I might switch-)

Been a while now, been a minute
I was in the mud, they weren't with me
Connect the dots, finesse them boys
His credit score just dropped, oh boy
He belled my line, but first off all
Cool it off, it was all my unks
Cool it off, 'fore it gets so long
Prove them wrong now I'm moving on

Bummy guys, they be tellin' lies for free
But my money long, so my tool came cheap
Better know it ain't cheap if it's on me
She heard my voice, all of a sudden, she a freak
I don't do dates, fuckin' with a screw-face
Better know this gwallah comin' with the replay
You know my money never goes on pause
How many records have we sold?

Can't be loyal to no ho, only my bros
Been a long time since I've been broke
Why you only holler when I got a show?
I can tell who's a friend or a foe
Now it's area bar on a sunday
Baby girl, I don't do dates
For you, girl, I might switch ways
(For you, girl, I might switch-)

Before started gang, shawty was no-show
I had no money, I had no hope
PTSD from Nokia phone
Now blessing come in with no phone
Everything man do, man, I regret
Everything gyal man fuck, I can't regret
Any man will try, that will regret
I'll be loyal 'til I can't breathe anymore

Can't be loyal to no ho, only my bros
Been a long time since I've been broke
Why you only holler when I got a show?
I can tell who's a friend or a foe
Now it's area bar on a sunday
Baby girl, I don't do dates
For you, girl, I might switch ways
(For you, girl, I might switch-)
