Wetin dey oh, Wetin dey  
She still ring a man down and she need this  
So on a nigga  
Everyday phoning a nigga  
She just wan' roll with a nigga

Cause how's a man talking his cash

Banger

But I ain't gon' leave with that slapper  
Impressed by Dolce Gabana  
But my girl a look cute  
Gotta stay fresh  
Turns a smoke zoot  
While I sip Dis  
When I get drunk my girl a get stressed  
Baby calm down be my little princess

Cause how's a man talking his cash

Said she wan' roll with me  
But ya boy don't care  
Cah I ain't gonna stop till the boys gone clear  
Wanna roll with me  
But the boy don't care  
Cah I ain't gonna stop till your boy's gone clear  
Wanna roll with me  
But the boy don't care  
Cah I ain't gonna stop till your boys gone clear  
Wanna roll with me  
But the boy don't care

Cah I ain't gonna stop till your boys gone clear

Cause she wanna eat lunch with me  
She wanna hop in the ride  
Come and stunt with me  
She just wanna give each other company  
So everyday she's onto me  
Man it's long for me  
She can't get enough of me  
Always on my back  
How's a real g gunna stack  
Answer me that  
She hush when I throw her a stack  
Make her calm down with a rack

Wetin dey oh, Wetin dey  
She know I got to grind hard and she preed it  
Wetin dey oh, Wetin dey  
She still ring a man down and she need this  
Soul on a nigga  
Everyday phoning a nigga
