

## Who Else

Tion Wayne

In the club with my guys, better know it stay with us  
Bad bitch still come to the 9 even though it's dangerous (Mm-mm)  
Who made the gunman beat? (Who else?)  
Who make a bad bitch cheat? (Who else?)  
And who made us tape that street? (Who else?)  
Of course it was done by me (Listen)

If you chill with the opps, you get trapped with the opps (Baow)  
We don't fear around blocks, what's pop? (Mm-mm)  
Never phone for a tape, couple nines on the block, who makes the star .9s get hot? (Baow)  
One shot, them gyal know we run the block  
Pretty gyal gone back, now she wanna thug  
Yuck, yuck, no shoes and socks  
Same gyal love to ride with her knees on top  
We're the reason a man pickin' up shells  
Heard the nina got tipped by girls  
Señorita, come twist and twirl  
Bumper ting bruck off and make that twirl  
Mix a sweet one with machines as well (Mm-mm)  
Bring the G's in, they can eat as well (Mm-mm)  
I told her, "Fall back" and made her feet curl  
How she shake that arse and the grease so well?  
I just bought a mansion, one-point-five  
Look at my Richard, quarter milly  
On my shooter I spent chunks (Baow)  
Right hand itchin', call it Filly  
Cheffed man back before I done views (Baow)  
Cheffed on your own block? I'm confused (Baow)  
Rolex or the Richard, can't choose (Baow)  
In my Lambo', slap that on cruise  
Break that, breath that, so unruly  
When she shake that, all a movie (Mm-mm)  
Pussy boy try say we ain't got guns  
Our waps lookin' like Call of Duty (Mm)  
If you don't own property, you lost then (Ayy)  
Cars and seven-bed crib, I got them (Woo)  
Got more money than the O, fuck them (Boom)  
Got more money than the whole of- (Boom)

In the club with my guys, better know it stay with us (Mm-mm)  
Bad bitch still come to the 9 even though it's dangerous (Mm-mm)  
Who made the gunman beat? (Who else?)  
Who make a bad bitch cheat? (Who else?)  
And who made us tape that street? (Who else?)  
Of course it was done by me (Listen)

We're the reason a man tek back shells  
Heard the nina got the tick back girls  
Señorita, come and twist and twirl  
Bumper ting bruck off and make that twirl  
Made the ting back up, back up, go, girl  
Boyfriend got bad up, bad up as well  
Everything mad up, mad up, oh well  
Baby, calm down, girl, we don't kiss and tell (Listen, never)  
No face, no case, got a goon in the back of the club, better know what stays with us

Bajan cuties, my favourite  
You hear that response, don't play with us  
I got big 'eads girl in my DM's, so I ain't surprised they hate on us (Uh-huh)  
Naija booty's my favourite  
Man, I been a badman since [?]

In the club with my guys, better know it stay with us (Bah)  
Bad bitch still come to the 9 even though it's dangerous (Mm-mm)  
Who made the gunman beat? (Who else?)  
Who make a bad bitch cheat? (Who else?)  
And who made us tape that street? (Who else?)  
Of course it was done by me (Listen)

Mm-mhm

Mm-mm
