

Yakman

Tion Wayne

Yo
Wizzy
T-Wayne from the 9

I've always been a Yakman (Always!)
I am where I am 'cause I jack man
If he ain't freeing up the P's then I'll bang bang
Real rap, I don't act
I ain't Van Dam

I swear down, I've always been a Yakman
I swear down, I've always been a Yakman
A Yakman 'cause he [?] on me
Then I hit the rave like "Drinks on me!"

Fucked up the profit
Don't tell me 'bout moves, you can't fuck with my knowledge
I chased down 4 man on my own
Three ran in the car
One jumped in a [?]
[?] to the real G's left
Swear these Feds so close, I could feel their breath
30 bag moves, man will peal his head
Swear I ran so fast when I robbed them dreads

When I done my first move I was shaking
15, 2 bags, I was caking
Now I spend that in the club when I'm raving
Probably robbed you in the past, now you're hating
I swear down nobody trust me
If you shot round me then you're lucky
I done a move round in (Shh) with a pumpy
But I ain't troubled you since
Why you grumpy?

I've always been a Yakman (Always!)
I am where I am 'cause I jack man
If he ain't freeing up the P's then I'll bang bang
Real rap, I don't act
I ain't Van Dam

I swear down, I've always been a Yakman
I swear down, I've always been a Yakman
A Yakman 'cause he [?] on me
Then I hit the rave like "Drinks on me!"

Everybody loves on the mic
But, everybody hates on the road
'Cause I Yakman on my own
'Cause I got man on their toes
'Cause I got plans for a rose
So broke swear I had nowhere to start
So I took his whole stack (Bumbaclart)
Always talking real rap, coming from the heart
Yakman, I'll Yakman in the [?]
He ain't freeing up the P's then I'll hurt him
If you put me on the move then it's certain

No P's so they're renting the Germans
But they can never cop like they [?]
All my niggas hard, we ain't virgins
You don't want to pick me like a Gherkin
15 had to do moves, I was hurtin'
'Cause I did moves then back to the [?]

I've always been a Yakman (Always!)
I am where I am 'cause I jack man
If he ain't freeing up the P's then I'll bang bang
Real rap, I don't act
I ain't Van Dam

I swear down, I've always been a Yakman
I swear down, I've always been a Yakman
A Yakman 'cause he [?] on me
Then I hit the rave like "Drinks on me!"
