

# Beating

Tirzah

Found you  
Found me  
Found you  
You found me  
Still  
Held in this  
In knowing you

You got me  
I got you  
We made life  
It's beating

Grow as we are now  
Rooted here for love  
Grow as we are for now  
Rooted here for love

Found you  
You found me  
Still  
Held in this  
In knowing  
You got me  
I got you  
We made life  
We made life  
It's beating, beating, beating, beating, beating, beating, beating, beating, beating

Grow as we are now  
Rooted here for love  
Grow as we are now  
Rooted here for love

It's been in here for long love  
I am you  
You are me  
You (Yeah)
