

Keep your face straight Colourgrade  
Keep your face straight Colourgrade  
Keep your face straight Colourgrade

Can't find, can't find the light (Keep your face straight Colourgrade)  
Thought I'd found my mind tonight (Keep your face straight Colourgrade)  
Little, little do I care for this (Keep your face straight Colourgrade)  
More and more, more and more I'd die for this (Keep your face straight Colourgrade)

(Keep your face straight Colourgrade)  
Did I know, little did I know I'd feel like this (Keep your face straight Colourgrade)  
I wish, I wish I could see you again, you again (Keep your face straight Colourgrade)

(Keep your face straight Colourgrade)  
I wish, I wish (Keep your face straight Colourgrade)  
I wish
