

# Tectonic

Tirzah

Close touch tips where our motions  
Attract the meeting of our lips  
Pursued as the rhythm magnetized our hips  
Techno to tectonic plates  
With no gin  
When you touch me I'm out my body  
Instinct takes place  
Instinct  
When you touch me I'm out my body  
Instinct takes place  
Instinct  
When you touch me I'm out my body  
Instinct takes place  
Instinct takes place

You know I'm yours and you're mine  
As soon as you meet my face  
Close touch tips where our motions attract  
The meeting of our lips  
Pursued as the rhythm magnetized our hips  
Techno to tectonic plates  
With no gin
