TisaKorean

Beat up the swag

Beat up the swag

What the fuck is doing  
Don't stop going cuz that head I'm enjoying  
All these stallion hoes got a young nigga forming  
I ain't a fuckin' car  
But she said that I'm alarming  
Got her mouth wide open  
She ain't even yawning  
Tisa, Tisa

Beat up the swag (Ooh Tisa!)  
Beat up the swag  
Beat up the swag  
Beat up the swag  
Beat up the swag (Ooh Tisa!)  
Beat up the swag

What the fuck is doing  
I done hit her from the back  
So how much that insurance?  
You know the damn reason  
She ain't from around here  
So that bitch she is treason  
I need me a towel because her pussy is leaking

Beat up the swag  
Beat up the swag  
Beat up the swag (Ooh!)  
Beat up the swag  
Beat up the swag  
Beat up the swag (I'm on fire!)  
Beat up the swag  
Beat up the swag (Ooh Tisa!)

If he talkin' shit, body rock his ass  
Tina Snow, all white forces  
Young big nigga look real gorgeous  
It's a holiday  
Throw a parade (throw it up!)  
My swag a parade (throw it up!)  
Her head was pleasing  
My swag a crime man  
I must committed treason  
It's swag season (swag!)

Beat up the swag
