

Chilli Dogs

TisaKorean

I got a hot dog, she gon' add the chili
It's summertime, baby, jump in that bikini
It's summertime, baby, jump in that bikini
She got good humor, baby girl, it's simply
I got a hot dog, she gon' add the chili
Okay, she smiling when she see me
Got black shades on, my eyes is 3D
I like them freaky ass girls with them tongue rings

When they step I have moisture, ocean
And she not from France but I'm tryna be her king
It's not a movie, but this gon' be the scene
And her skin brown like a noodle
Tryna fill her up, toaster strudel
She the baddest bitch like a damn poodle
After I hit, I'ma text her, "Toodles"
Like, I'ma catch you later, lil' shawty, you dig me
What comes dummy 'cause he so...

My heart want to know
I just want to know
I just got to know
Are we?
I just want to know
I just got to know
I just want to know
Are we?
You, me, us, we
You, me, us, we
You (I just want to know)
Me (I just want to know)
Us (I just want to know)
We (Are we?)
You (I just want to know)
Me (I just want to know)
Us (I just want to know)
We (Are we?)
