She is not a fish but trippin'  
She gonna get this bait  
This car trippin' bro  
Go ahead and check the brakes  
I don't fuck with tigers  
But I do eat frosted flakes

Check my phone to make sure  
I don't have no updates  
I didn't mean to send that emoji  
But it was a mistake  
And your boyfriend is a lame  
He a square, he a square, he a shape  
I do not work at a bakery  
But I do want cake  
I do not do no makeup  
But I'm gonna fix your face  
Even though you're in a house  
Don't mean tho that you're safe  
If I say I'm moving pounds  
Don't mean that I'm moving weight  
Yes it's hot  
But I can make it a cold case  
But it's autumn  
So I do need a damn break  
'Cause of leaves i'm damn fallin'  
'Cause of leaves i'm damn fallin'  
'Cause of leaves i'm damn fallin'

She is not a fish but trippin'
