

You ain't even know that, though  
Class over, I don't give a fuck  
Ayy, I just wanna be in the club tonight

Can I put the jelly on your fuckin' jam? (Ew)  
She like meat and I am servin' ham  
I like an ass rounder than fuckin' fan (Ew)  
If it's too much for you, let me know  
'Cause I know your friend and that bitch ready to go (Ew)

I'm at the club and it is not a maze  
But I'm searchin' for a ho (Uh)  
Her pussy wet and don't ask me how I know (Wait, what?)  
Her ass up and her hands up on the floor, ayy  
I text a kitty and she text me back hello  
I'm tryna find a place for my dick to go, ooh (I'm tryna fuck)  
Like grass, make it grow  
Make it, make it go, make it, make it go, go

Can I put the jelly on your fuckin' jam? (Ew)  
She like meat and I am servin' ham  
I like an ass rounder than fuckin' fan (Ew)  
If it's too much for you, let me know  
'Cause I know your friend and that bitch ready to go

She a white bitch, Carrie Underwood  
I'm in the backyard smokin' Backwoods  
She left you but she still livin' right (Soap)  
I'm tryna give this ho the dick of the night (Ooh, soap)  
Her hair green and I do like some Sprite  
I'm tryna see the pussy, where's the flashlight?  
Even though I got the club loose as a goose (As a, as a, as a)  
I still like the pussy tight

Can I put the jelly on your fuckin' jam? (Ew)  
She like meat and I am servin' ham  
I like an ass rounder than fuckin' fan (Ew)  
If it's too much for you, let me know  
'Cause I know your friend and that bitch ready to go (Ew)
