Her head too fire, she deserve an A plus  
(Really on his dumb ass though, I fucked)  
He shot the camera, I'm done fearing  
It's clearly for doin', it doesn't even got to be in the party  
(I'm already late for class)  
Let's do it now, go

I don't know her like that, but shit, I'm gon' fuck  
Her pussy so wet just like a Slush  
Just like a TV, a nigga stuck  
I'ma make the bitch quack just like a duck (Ew, ew)

Ayy, that bitch got two sides like a brush (Huh?)  
Her pussy so good, it make me cuss (Fuck)  
I had to cut her off when she said us (Go, go)  
But the bitch got bread and I want that crust (Ew, pizza)  
She's not a squirrel but she want my nuts (Go)  
She's talkin', well what there is to discuss? (Nothin')  
It's straight but I think I know a shortcut  
Her head too fire, she deserve an A plus (Ew, ew)

Back and forth, bitch, I like that  
Good head, bitch, I like that  
Pizza rolls, bitch, I like that  
Pokemon, I'ma catch that  
Her name Gabby so you know her ass fat  
Too much jiggle jiggle, wiggle wiggle  
Like a firecracker, bitch make it sizzle  
Ooh, she's a ref and she gon' blow my whistle  
I'ma flip your lil' ho like a nickel  
I'ma get it, I'ma get it, I'ma get it  
I'ma do her bed

I don't know her like that, but shit, I'm gon' fuck
