

Tryna Beat

TisaKorean

But I'm not gram
She said "Tisa, boy this shit jam"
Goddamn can you pass me a gram
Shawty wetter than a fucking dam

Werk, uh, tryna beat
Out her back then I'm gon delete
If I hide then she's going to seek
In the club we be smoking cookie

Ooo! Pineapple she's so sweet
It's traffic, ooo, take the back street
If I buy it then I need the receipt
Baby girl I'm by the window
My account, there's a lot of zeros
And my bracelet like a disco
Outfit orange like Home Depot
From the back I'm tryna make her echo
Outfit all white like marshmallows
Fade away, ooo, Carmelo
Outfit red just like Elmo
That shawty text me, hello

Werk, uh, tryna beat
Out her back then I'm gon delete
If I hide then she's going to seek
In the club we be smoking cookie
