

Watermelon Booty

TisaKorean

Ayy, she got that watermelon booty
Ayy, she got that watermelon booty
Okay, I get it now
Ayy, she got that watermelon booty
Ayy, she got that watermelon booty (Do her booty got shocks?)

I'm tryna turn her ass on like a light switch (Ooh)
And my dick gonna help her with her diet (Yeah)

Tasmin, Misha, Uber to my pool party
Fryin' like a chicken 'cause it's finger licking
She so freaky, please come with me
She's so freaky, please come with me

Ayy, she got that watermelon booty
Ayy, she got that watermelon booty
Okay, I get it now
Ayy, she got that watermelon booty
Ayy, she got that watermelon booty (Do her booty got shocks?)

I told her that I need her in the morning just like cereal
He said, "Trick or treat?" I said, "Trick is for kids"
And I know her tongue pink like a pig (That's a pussy)
Hey, can I get up in your legs? (In her head)
In your mind (Yeah), and scribble to the grind
She's not an artist, but I am trying to sign
I'm tryna give her all this heat like an iron

Tasmin, Misha, Uber to my pool party
Fryin' like a chicken 'cause it's finger licking
She so freaky, please come with me
She's so freaky, please come with me

Okay, we gon' do it just like this
Find a pretty girl that got a crazy twist
Make her go, make her go
Make her go to your motherfucking flow
Told her shake it (Ooh), told her shake it (Ooh)
Told her shake it, told her shake it (Rock out)
Told her shake it (Rock), told her shake it (Rock out, ooh)
Huh, like a tambourine (Like a tambourine)

Tasmin, Misha, Uber to my pool party
Fryin' like a chicken 'cause it's finger licking
She so freaky, please come with me
She's so freaky, please come with me
