

# WRESTLER

TisaKorean

The last time you was texting her  
I was stretching her  
But I am not no wrestler  
Or a messenger  
I pull up in a Tarantula  
Money, and clothes, and hoes, while I'm in a tank  
Nigga know I'm silly, and I keep that bank  
Nigga know I'm silly, and I keep that drank  
All because I'm silly, ain't no lower rank  
Car so fucking big, I can't even park  
When I'm off the wok, I can't even walk  
When she give me top, she can't even talk

The last time you was texting her  
I was stretching her  
But I am not no wrestler  
Ain't no messenger  
I pull up in a Tarantula  
Got the best of her  
I pull up, yep, spectacular  
I got the best of her

The last time you was texting her  
I was stretching her  
But I am not no wrestler  
Ain't no messenger  
I pull up in a Tarantula  
Got the best of her  
I pull up, yep, spectacular  
I got the best of her

Mumu!  
I pull up in a Tarantula  
Silly!  
It's the club reefer...!
