

## As Seen On Reality

TISM

Reality used to be a friend of mine  
Reality used to be a friend of mine  
Reality used to be a friend of mine  
Reality used to be a friend of mine

If you watch Reality;  
Got your crotch on Reality;  
If you act on Reality;  
Know a fact from Reality;  
If you make up Reality;  
See a break up on Reality;  
If you produce Reality;  
Don't want to reduce Reality;  
If you costume Reality;  
Know a better rest room than Reality;  
If you write on Reality;  
Do the lights on Reality;  
If your ad's on Reality;  
Follow fads from Reality;  
If you grew up on Reality;  
Didn't throw up on Reality;  
If you write about - bring about - fight about - sing about; ad  
mire it - inspire it - hire it - acquire it;

If you love it, you deserve it.  
If you love it, you deserve it.

If you make Reality  
If you fake Reality  
Get your face on Reality  
Product placed on Reality  
Your song
