

Choose Bad Smack

TISM

Well, choose bad smack
Put Omo in your coke
Snort it up the hooter
And gulp it down your throat
Choose bad smack
And don't choose life
Leaves you high, yeah yeah
Well and your clothes whiter than white

[Chorus:]

I said, choose bad smack, yeah
Well, choose bad smack, yeah
Choose bad smack, yeah
Choose bad smack

Well, I love the adrenaline rush
That speed and danger draw
Like blowing into my milkshake
Instead of sucking up the straw
One day I'm gonna go
Right over the top
And keep on blowin', yeah yeah
Well after my mum tells me to stop

(Chorus)

Well, choose bad smack
Put Omo in your coke
Cold Power in your crack
And Drive in your dope
Well choose bad smack
And don't choose life
Leaves you high, yeah yeah
Well and your clothes whiter than white

(Chorus)

Well, the balls in the net, huh
And the run's on the board
Be like your sporting heroes
And make sure you score

Yeah yeah yeah yeah yeah
