

We Vie

Titiyo

The rain that falls
Over me at tide
Replenish you

Sustenance we vie
mmm mmmm

Sustenance we vie
mmm mmmm

One breed of love
Sows the seeds in time
Of what we reap, here
Paradise we found

oooooh oooooh
Paradise we found
oooooh oooooh oooooh oooooh oooooh

Tell me to go away
Tell me to go
Tell me to go away
Tell me to go

It's the pathway of my life

No one can see
Emotions we live by

oooooh oooooh
Sustenance we vie
oooooh oooooh
Sustenance we vie
oooooh oooooh
Sustenance we vie

The rain that falls
Over me at tide
Replenish you

Sustenance we vie
oooooh oooooh

Sustenance we vie
oooooh oooooh

One breed of love
Sowed the seeds in time
Of what we reaped
Paradise we found

oooooh oooooh
Paradise we found
oooooh oooooh

mmmmmm mmmm mmm mmmmm
Paradise we found

Paradise we found

Paradise we found

Paradise we found

ohhhh ohh ohhh ohhhh
