

## Dizzy

## Title Fight

Shirt was in the car  
when it happened  
Swear to god we're cursed  
with all this sadness  
I'm dizzy in the thought  
Memory loss

Your chrysalis  
Nighttime wanderer  
Venom drip  
King of somber

Fumble on a road  
Blackened backyard  
Weapon from a trunk  
Static Recall  
I'm dizzy in the thought  
Memory loss

Your chrysalis  
Nighttime wanderer  
Venom drip  
King of somber  
Slow like my fist  
Underwater  
Blended light  
Vision sharpener
